NATURAL ENERGY

AT A CELLULAR LEVEL

Herbalife's Revolutionary
New Product with CoEnzyme 1

Natural energy... fast!

- CoEnzyme 1 is a primary enzyme the body needs to function at its best
- The more CoEnzyme 1 the cells have, the more ATP* energy is produced
- Non-caffeinated formula provides CoEnzyme 1 for natural energy at a cellular level

*Adenosine Triphosphate is the main source of energy for cellular reactions.
