NUTRITION FOR THE
24-HOUR ATHLETE™

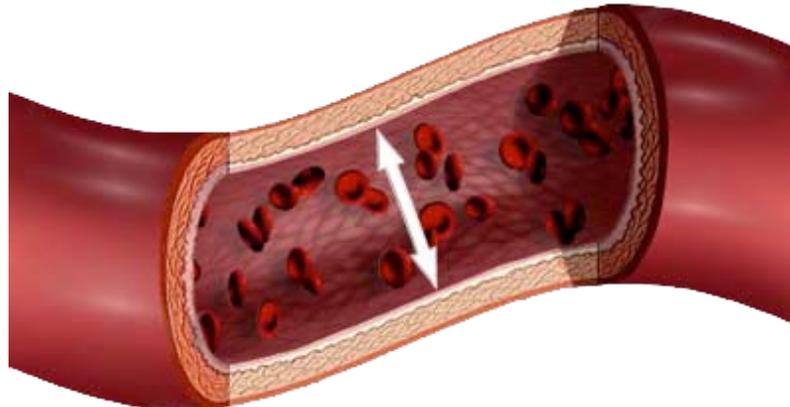

Prepare was developed in collaboration with Nobel[†] Laureate in Medicine, Dr. Lou Ignarro, who is partly responsible for discovering the biological pathway of nitric oxide

§Dr. Lou Ignarro is a member of Herbalife's Scientific and Nutrition Advisory Boards, and receives compensation for his endorsement of Herbalife® products.

†The Nobel Foundation has no affiliation with Herbalife and does not review, approve or endorse Herbalife® products.

Nitric oxide increases blood flow to:

- Support oxygen delivery*
- Promote muscle growth*
- Improve strength*
- Speed muscle recovery*
- Support nutrient delivery*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

How is Prepare Different Than Niteworks®?

	Niteworks®	Prepare
Benefit	General Heart Health	Athletic Performance
L-Arginine	+	+
L-Citrulline	+	+
L-Ornithine aKG	-	+
Creatine	-	+

- Heart health
- Blood flow
- Strength

NUTRITION FOR THE
24-HOUR ATHLETE™

Sustain Performance with Dual-Source Carbohydrates and Electrolytes*

Target user: - Athletes with high caloric needs

Key Benefits: - Delivers carbohydrate for energy
- Speeds recovery time*

Key Features: - High calorie/carbohydrate
- Subtle taste
- Electrolytes
- 5 g Whey protein isolate
- Antioxidant protection

Usage scenarios

- Triathlete completing brick workout
- Cyclist on a 4 hour bike ride
- Swimmer completing a morning workout
- Professional with a physically-demanding job

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Maximize Performance with Energy

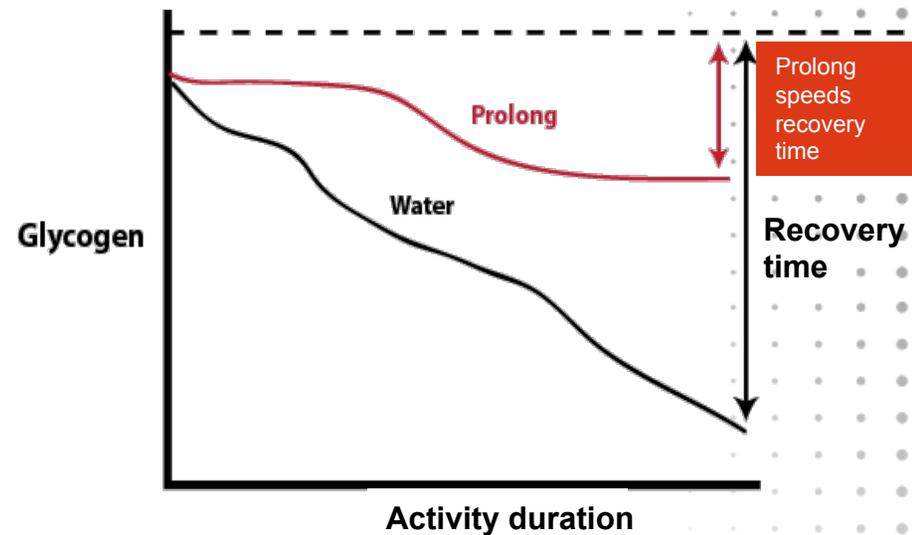

Prolong provides:

58 g of a dual-source blend of carbohydrates for rapid and sustained energy*

Carbohydrates are the body's fuel during exercise

Why you need it:

Proper fueling during exercise improves performance and speeds recovery time

*This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Two Carbohydrate Sources

Prolong provides:

Carbohydrate blend:

- Maltodextrin (fast release)
- Fructose (slow release)

Maximum carbohydrates and energy

Why you need it:

The dual-source carbohydrate system in Prolong means more calories utilized per hour, better performance, increased glycogen conservation and faster recovery. * And it's all thanks to science.

*This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
