## HERBALIFE24

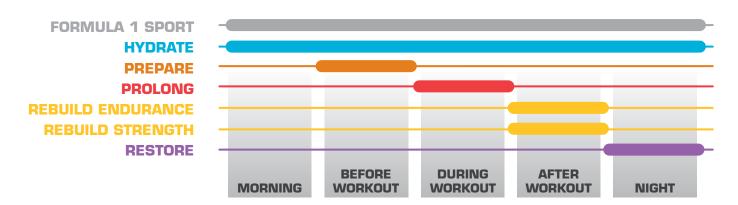

## PERFORMANCE NUTRITION DEFINED

Being an athlete is a lifestyle requiring nutrition 24 hours a day. Choices in how you prepare, fuel your body, recover and rest make a definitive difference in you becoming a 24 Hour Athlete.™

Herbalife24 was developed for athletes and goes beyond the performance nutrition industry standard for pre-, during- and post-exercise nutrition. It is the first and only comprehensive performance nutrition line empowering athletes 24 hours a day.

You now have unrivaled nutritional support as an athlete to prepare, train, perform and rebuild. This seven-product line is also customizable based on activity levels and training demands.

## **24-Hour Nutrition Support**

You can customize products based on your specific sport, training, recovery and competitive needs.

## **Product Use Guide by Activity**

Bars indicate the relative need of each product – from low to high – depending on your activity, training, preformance and recovery.

#### **HERBALIFE**<sub>®</sub>

# HERBALIFE24 Is the First Comprehensive Performance Nutrition Line for the 24-Hour Athlete™

All Herbalife24 products are tested by the Banned Substance Control Group, an independent laboratory.

#### FORMULA 1 SPORT

Quality performance starts with a nutritional sports meal specifically formulated for the athlete.

- Milk protein supports lean muscle mass
- Carbohydrate blend provides immediate and sustained energy
- L-glutamine supports muscle growth and immune function
- Antioxidant protection

#### **HYDRATE**

A low calorie source of bioavailable electrolytes designed for advanced hydration.

- Hydration anytime, for anyone
- High in the antioxidant Vitamin C
- Less than 15 calories
- Only 1 g of sugar

#### **PREPARE**

Support blood flow to working muscles.\*

- L-arginine, L-citrulline and L-ornithine alpha-ketoglutarate support blood flow\*
- Creatine supports fast-twitch muscle contraction\*

#### **PROLONG**

Sustain performance with dual-source carbohydrates and electrolytes.\*

- Dual-source carbohydrate blend facilitates caloric utilization\*
- Whey protein isolate helps reduce muscle breakdown\*
- 850 mg of electrolytes support proper muscle function\*
- B Vitamins support carbohydrate metabolism\*
- 500%DV of Vitamin C helps combat free radicals\*

#### **REBUILD** ENDURANCE

Speed recovery from an aerobic workout by enhancing glycogen replenishment and initiating repair of damaged muscles.\*

- Branched-chain amino acids, whey and casein proteins create a rapid and sustained protein-building state\*
- Carbohydrate blend replenishes muscle glycogen\*
- Tri-core protein-amino blend of free amino acids, whey and caseinproteins help rebuild muscle and speed recovery\*
- L-glutamine supports immune function and promotes muscle repair\*
- L-carnitine reduces recovery time\*

#### **REBUILD** STRENGTH

Speed recovery from strength training with immediate and sustained lean muscle building.\*

- 24 g of whey and casein proteins create a rapid and sustained protein-building state\*
- Tri-core protein-amino blend of free amino acids, whey and casein proteins help rebuild muscle and speed recovery\*
- Iron essential for red blood cell protection\*
- Branched-chain amino acids support muscle growth\*
- L-glutamine supports immune function and promotes muscle repair\*

#### RESTORE

Combat exercise-induced inflammation.\*

- Curcumin helps combat exercise-induced inflammation\*
- Elderberry and Saberry<sup>™S</sup> from amla fruit extracts, and alpha-lipoic acid scavenge free radicals\*
- Vitamin C and beta-carotene support immune function\*

## **ATHLETE SUCCESS STORIES**

"I worked out hard to prepare myself for the race car. The first time I tried REBUILD ENDURANCE was after a grueling 3.5-hour bike ride. Normally I'd feel sore and sluggish the next day. This time, I was surprised to feel fully refreshed and ready to tackle the boxing gym with full strength. REBUILD ENDURANCE is awesome!"

Townsend Bell Herbalife-Sponsored IndyCar Driver

"PROLONG has the right mix of carbs, protein, vitamins and electrolytes to fuel really long, all-day efforts. No bloating. No gassy feeling. For my long efforts, I can fuel with PROLONG and nothing else."

Nate Whitman Pro Mountain Bike Athlete Herbalife24 Beta Program Participant

"During the Boston Marathon, I drank the FORMULA 1 SPORT nutrition drink, which gave me the energy and kick I needed to finish the race in under four hours. With HYDRATE, I experienced no muscle cramping or dry mouth."
